Top Pro-Life Organization in Texas Endorses Rep. Gary VanDeaver for the 2022 Republican Primary in House District 1

New Boston, TX – The Texas Alliance for Life PAC has endorsed incumbent Rep. Gary VanDeaver out of all candidates in the 2022 Republican Primary for House District 1. The Texas Alliance for Life is a statewide non-profit organization of individuals dedicated to securing the fundamental right to life for all unborn children.

“Gary VanDeaver is staunchly pro-life and has always worked to defund Planned Parenthood and protect unborn babies from abortion,” said Dr. Joe Pojman, Texas Alliance for Life PAC Executive Director. “We urge voters to support Rep. VanDeaver for re-election.”

Rep. VanDeaver’s greatest pro-life victory is the famous “Heartbeat Act” of 2021, which bans abortions after a fetal heartbeat has been detected. He also helped pass a trigger bill that automatically bans abortion in the state of Texas if Roe V. Wade is ever overturned. Further, he has passed legislation to ban partial birth abortions, chemical abortions, mail abortions, and closed multiple loopholes that abortion providers have attempted to exploit in the state.

“My stance on abortion does not come from politics, but from my faith and a deeply rooted personal belief that life begins at conception,” said Rep. VanDeaver, “We have a responsibility to protect life from anyone that would do it harm at any point between conception and the grave. There is building national momentum to increase abortion rights, and I promise to stand against those movements with everything I am.”
